Training designed for the **MODERN** **WORLD**

**Achieve your full potential and maintain
compliance with TrainingToday®**

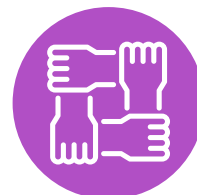

Delivering training to your teams should not be that hard. Typically, the technology is too cumbersome, or the courses you are deploying just do not meet the mark. That is why we partnered with TrainingToday to deliver the best of both for you; an intuitive, easy-to-use learning management system (LMS) coupled with dynamic eLearning content developed by some of the most gifted experts in their field. TrainingToday offers a single source training and development solution that delivers everything you need, without all the hassle.

TrainingToday's interactive LMS offers an extensive library that includes more than 650 courses on a wide variety of topics, as well as interactive presentations, quizzes, and contests to measure and promote engagement, and the ability to monitor and track results with a built-in recordkeeping tool. TrainingToday is one of the most comprehensive, cost-efficient training tools on the market.
