

## TRANSCEND TRADITIONAL TRAINING

Superior content is the key to creating a comprehensive, engaging, and lucrative training program

66

**We chose TrainingToday because of the level of service, as well as the content. TrainingToday really took it to the next level and we knew they were the right partner for our name to be associated with.”**

— Megan B., PHR, SHRM-CP, Human Resources Business Development Manager

We are on YOUR side. Reselling training content can be extremely beneficial for your clients and lucrative for your business. With a Business and Learning Resources (BLR®) partnership, you get much more than just top-of-the-line training material and engaging learning programs; you also get unmatched support from our team of in-house industry experts. With top-tier, partner-centric support and a reselling market that’s ripe for opportunity, BLR is a decision that just makes simple sense!

### The BLR Training Difference

- ▶ Interactive and engaging online training
- ▶ Extensive content portfolio of 800+ courses
- ▶ Customized content for you and your clients
- ▶ Unparalleled marketing support
- ▶ Dedicated technical support
- ▶ White-gloved customer service
- ▶ Endless reselling opportunities
